On Monday April 30, 2007 Granville Homes unveiled its 2007 Home of Hope Opportunity Drawing. Representatives from the 8 local beneficiaries were on hand to commemorate the ground breaking of the home. This year's beneficiaries include, Hinds Hospice, Community Food Bank, Fresno Metro Ministry, Poverello House and Clovis, Sanger, Central and Fresno Unified School Districts.

For 2007 the format has changed. Instead of a live auction this years Home of Hope will be an opportunity drawing. With the purchase of a \$100 opportunity ticket, entrants will have a chance to win a brand new Granville Homes Pasatiempo model located in the new Tuscan Bluffs gated neighborhood at Copper River Ranch.

“Last year we were able to raise \$549,250 for 3 outstanding charities that provide humanitarian aid throughout the world”, says Nader Assemi of Granville Homes. “This year we are raising the stakes. By changing the format to an opportunity drawing people will have a chance to support 8 great local organizations and have the opportunity to win a brand new Granville Homes Pasatiempo model valued at over \$500,000. Our goal this year is to raise \$1,000,000.”

The Pasatiempo is a single story 2029 square foot home with 3 bedrooms, 2.5 baths and a 2 car garage and a study is located near the Copper River Country Club. Construction of the home has commenced with public viewing scheduled for late August.

Ticket sales will be limited to 10,000. For more information on the home and complete drawing details please visit [www.gvhomeofhope.com](http://www.gvhomeofhope.com). To purchase tickets please call (559) 440-8388 or visit any Granville Homes sales location.
